

Dear Parents,

Summer School enrollment forms are now available at the high school office.

They are also available on our website by clicking on this link: <https://bothell.cpcsschools.com/documents-forms> and scrolling down to *Summer School Documents*.

Please review the forms carefully and make sure to read and sign each of them. The documents require a parent signature, student's signature, and the teacher's signature (to confirm the desired summer school course). The student must also receive administrator approval to attend Summer School.

Who needs Summer School?

- High school students with an F in any core subject (such as English or other required course).
- 8th graders with an "F" in English

If you are uncertain as to whether your student needs to attend summer school, please contact your student's current teacher and Mrs. Wilcox.

***** Be certain to check your home calendar against the summer school dates listed in the packet (or on our website) so that you are able to confirm that your student will not miss more than the permitted number of classes (2 excused absences only) *****

The deadline for registration is June 6th. Classes begin the week of June 16th.

Please contact me if you have any further questions.

Respectfully,
Wanda Birkland
